

-Deli Containers

With sizes from 8 oz. to 32 oz.

Details

Perfect for soups, stews, deli salads, and more, these translucent plastic deli container and lid combo is great for holding a variety of items. These can be used as plastic soup containers, or use it for customer purchases to store food. Made from heavy weight recyclable polypropylene, this container with lid is sturdy, great for hot items, and is also microwavable, allowing your customers the convenience of heating up food without the hassle of switching containers. The accompanying lid ensures a snug and secure fit to eliminate messes and spills.

-Microwave Safe

This item can safely be used in the microwave for food service applications

-Freezer Safe

This item can withstand low temperature applications and is safe for freezer storage

-Dishwasher Safe

This item can safely be cleaned in a commercial dishwasher.
